Paramedic

Associate of Applied Science Degree
Program Director: Joel Henderson

A hybrid option is available for this program. Please contact the program director for more information.

Program Website (http://www.gfcmsu.edu/webs/ems/)
Program Application (http://www.gfcmsu.edu/webs/ems/documents/Paramedic_Application.pdf) (Fall 2022 Application available February 15th)

Emergency Medical Services (EMS) personnel play a primary role in providing care and transportation of the sick and injured in a pre-hospital setting. GFC MSU offers an AAS degree for the Paramedic program.

Upon completion of the Paramedic program, students will be prepared to sit for the National Registry Certification Examination to gain licensure and begin a successful career as a top-level pre-hospital care provider.

The Paramedic program is nationally accredited through CAAHEP, the Commission on Accreditation of Allied Health Education Programs, in collaboration with CoAEMSP, the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions.

Admission Requirements

The Great Falls College MSU Paramedic Program is a limited enrollment program, accepting a restricted number of students each year. Interested students are urged to contact the Program Director or the Advising & Career Center Advisors for student advising specific to program admission requirements and criteria for program acceptance.

Eligibility for Admission into the Paramedic Program

All eligibility forms and documents are enclosed in the Paramedic Program Information and Application Packet.

To be eligible to apply for admission into the Paramedic Program, applicants must:

• Be admitted to Great Falls College MSU
• Be in good academic standing

Required Paramedic program admissions qualifications include:

• Current National Registry Certification as an EMT
• EMT or AEMT state licensure prior to enrollment
• Current certification in BLS HCP (CPR)
• A math course in the MUS Core (http://catalog.gfcmsu.edu/academic-programs/montana-university-system-core/#programrequirementstext) with a grade of at least C-
• WRIT 101 College Writing I or higher with a grade of at least C-
• BIOH 104 Basic Human Biology w/ Lab OR BIOH 108 OR BOTH
  BIOH 201 and BIOH 211 with a grade of at least C- or higher

Outcomes

Graduates are prepared to:

Program Cognitive Objective:

• Demonstrate the ability to comprehend, apply, and evaluate the clinical information relative to his role as an entry-level Paramedic in Cascade County, the State of Montana, and the U.S.

Program Psychomotor Objective:

• Demonstrate technical proficiency in all skills necessary to fulfill the role of entry-level Paramedic in Cascade County, the State of Montana, and the U.S.

Program Affective Objective:

• Demonstrate professional and employer expectations for the entry level Paramedic in Cascade County, the State of Montana, and the U.S.
