Incomplete Grades before they are submitted to the Registrar for posting. The Department Chair or Division Director must be given all information necessary to do final grading for the student as backup for the instructor in case he/she is not available to do the grading at the appropriate time.

**Pass/Fail Policy**

As a general policy, courses at Great Falls College MSU may be graded with the letter grades A, A-, B+, B, B-, C+, C, C-, D+, D, D- and F. However, certain courses, as indicated in the catalog, are offered only on a pass/fail basis for ALL students registered in the course. Typically, a passing (P) grade is equivalent to a grade of “C-” or better; however, this may vary by course or program. Students receiving “P” grades may not request a change to a letter grade.

**Course Repeat**

Courses may be repeated to increase one’s knowledge and/or grade point average. The original grade, as well as subsequent grade(s) in the course, is reflected on the academic transcript. However, the grade and grade point value for the repeated course will replace the earlier grade and grade point value in the cumulative totals. The grade and accompanying information for a repeated course will be posted on the student’s academic transcript for the semester during which the repeated course was completed.

Students may repeat a passed course only one time on financial aid. Passed courses are those courses completed with a grade of a D or above. If a student repeats the same course more than once, that course will not be considered in determining the enrollment status for financial aid purposes but will still be counted in attempted credits for Satisfactory Academic Progress determination.

**Grade Point Average (GPA)**

A student’s level of academic performance is determined by the grade point average (GPA). To calculate the GPA the total number of grade points is divided by the total number of completed credits.

**Grade Reports**

Faculty are required to submit mid-term and final grades by the deadlines set by the Registrar’s office. Mid-term grades are available to students on Banner Web/My Info after the halfway point of the term. Final grades are available to students on Banner Web/My Info one week after the end of the term.

In addition to mid-term and final grade reporting, frequent student progress feedback is required. Using the designated learning management system for grade reporting is mandatory for all Great Falls College MSU courses that don’t use an embedded grade reporting mechanism that provides real-time grade feedback, such as MyMathLab, etc. If an instructor chooses to use a grade system other than designated learning management system that meets the real-time feedback criterion, a link must be posted on the course-designated learning management page directing students to that system.

**Academic Records Appeals**

Appeals regarding academic records must be addressed within three years of course enrollment. Any appeals filed more than three years after the date of last attendance will not be considered. Note: This policy applies to appeals for retroactive withdrawals and tuition refunds only.

**Change of Grade**

A change of grade may be submitted to the Registrar for a variety of reasons. All grade changes must come from the instructor, department chair, or division director. If, after consulting with the instructor, questions still remain about the changing of a grade, please refer to the Academic Complaint Procedure.
