

Tuition Waivers

Tuition Waivers are administered by the Financial Aid Office. For all students, inquiries should be directed to the Financial Aid Office. All waivers are based on financial need as a criterion whenever possible, except for honor scholarships for National Merit Scholarship semifinalists, high school honor scholarships, and faculty and staff fee waivers. Waivers do not require repayment. Waivers are state funded and require Montana residency status with the exception of the faculty/staff fee waiver.

All employees who have been employed at least ¾ time for at least five years without a break in service are eligible for a dependent waiver benefit. The employee must remain employed for the entire time during which the tuition waiver is utilized. Eligible jointly employed spouses may utilize the dependent tuition waiver benefit for two children at one time, but any one child may not receive more than a 50% tuition waiver under the dependent tuition waiver policy. Application for the dependent tuition waiver is initiated by the employee or the employee's dependent. Applications not submitted in a timely manner for a dependent tuition waiver may be denied.

Employees are required to sign a statement verifying

1. that they are not utilizing the tuition waiver for themselves, and
2. the child utilizing the tuition waiver is claimed as a dependent for federal tax purposes, is unmarried and has not reached age 25 as of the first day of the semester for which the tuition waiver is granted; or
3. the employee is married to the spouse utilizing the tuition waiver. Documentation that a dependent has been claimed in the tax year the benefit is used may be required for audit purposes or in cases of suspected misuse. False certification of dependent eligibility for the tuition waiver is cause for discharge and the employee is required to repay the cost of the tuition waiver.

The dependent tuition waiver benefit is a 50% reduction in the cost of residential tuition. This benefit is not taxable. Registration fees, course fees, or other mandatory fees are not waived. There is no limitation on the number of credits that may be taken per semester under the tuition waiver. Additional information is available at the Financial Aid Office.
