

# Associate of Arts to MSU-Northern

## Associate of Arts Degree with Elementary Education Transfer to MSU-Northern

The Associate of Arts with articulated coursework in Education is designed for students interested in a baccalaureate degree in Elementary Education at MSU-Northern.

The Associate of Arts (AA) includes education across academic disciplines. Focusing on integration of information while increasing a student's employability, the AA is designed for transferability to a baccalaureate program.

To receive the AA degree, the following requirements must be completed:

Course	Title	Credits	Grade/Sem
Montana University System Core Requirements		31	_____
Computer Skills/Usage requirement		3	_____
Coursework in Arts, Humanities, and Social Sciences		9	_____
Electives		17	_____

Final cumulative grade point average of at least 2.0

Courses taken to fulfill one specific requirement, including courses in the Concentration or Elective blocks, may not be used to fulfill another specific requirement; thus, a course taken to fulfill the Cultural Diversity requirement in the Montana University System Core may not be used as an Elective.

## Outcomes

### Graduates are prepared to:

- Demonstrate the outcomes achievable by completing the Montana University System Core.
- Select and use the appropriate technologies for personal, academic or career tasks.
- Think critically about theories and applications from multiple disciplines when evaluating information, solving problems, and making decisions.
