

Prerequisite Policy

Prerequisites are listed in the Great Falls College Montana State University current catalog course descriptions and curriculum pages. Students will not be able to enroll in a course without the necessary prerequisites. However, if circumstances merit, an Override Authorization Form (<https://gfcmsu.edu/wp-content/uploads/2024/12/OverrideAuth.pdf>) allows a student to enter a course without the proper prerequisite; this form must be approved and signed by the appropriate faculty member and/or division director.

Currently enrolled students who do not pass the prerequisite courses with the necessary grade will not be allowed to take the subsequent course. Those already enrolled in the subsequent course will be dropped from that course. Students will be notified of this change in their enrollment status within one week of final grades being posted for the prerequisite course. At that time, they may need to change their schedules. It is suggested that students contact their Advisor to make those changes.
