Academic Success Center

- Academic Success Center website (https://gfcmsu.edu/home/current-students/asc/)

The Academic Success Center provides free tutoring services to students enrolled in classes at Great Falls College Montana State University and is a hub for academic assistance and collaboration. It is the Academic Success Center's mission to assist students in becoming independent learners as the tutors provide help in subject content and study skills. The Academic Success Center staff will assist students in setting up study groups and are active supporters of all students' efforts to be successful in their academic programs at Great Falls College MSU.

The Academic Success Center is located in the Weaver Library. They can be reached at 406.771.5121 or tutoring@gfcmsu.edu

Study Skills Assistance

The tutors in the Learning Center assist students in the foundational skills required to be successful in college. Some of these skills include:

- Textbook Reading
- Note Taking
- Time Management
- Organization
- Dealing with Testing and Math Anxiety
- Test Preparation

Content Tutoring

Content tutoring is available in the following areas:

- Accounting
- Biology
- Chemistry
- Computers
- Math
- Math for Healthcare
- Pharmacology
- Writing

Online Tutoring

Tutoring is also available online for students who are enrolled in distance courses or who are not able to come to campus during business hours. No additional software is required for the student to participate. A web cam and microphone are suggested, but there are alternatives available if the student does not have access to them.
